'The House of Welcoming Waters' Debuts New Brand and The First Luxury Boutique Hotel In The Heart of Waikiki

HONOLULU, HAWAII (October 28, 2019) – Halekulani Corporation announced the opening of Halepuna Waikiki by Halekulani, checking in its first guests on October 25th to the luxury boutique hotel. With 284 rooms and four suites, the multi-million-dollar transformed Halepuna Waikiki is located directly across from the iconic Halekulani.

Incorporating the culture of Hawai'i and philosophy of Halekulani, Halepuna Waikiki provides guests with the highest standards of quality and personalized service. A refined retreat in the heart of Waikiki where Hawaiian traditions, warm, engaging service and fine design enrich every guest room, dining experience and amenity, Halepuna Waikiki celebrates the indigenous surroundings, culture, and aloha spirit of the islands.

"We are extremely excited to introduce this new brand, Halepuna, which carries the hospitality DNA of Halekulani," said Halepuna Waikiki General Manager Julie Arigo. "Halepuna Waikiki is for the traveler who is looking to be in the center of it all in Oahu, while also feeling a sense of relaxation, escape, and comfort throughout their entire experience with us."

DESIGN

The thoughtful design and planning of the property was developed by New York City-based interior design firm Champalimaud and Anbe, Aruga & Ishizu, Architects, Inc, who have been engaged for the past two years to design the public spaces, rooms and suites, artfully embracing the ethereal sensibilities of land and water. Featuring natural and refined elements inspired by Halekulani, the lobby showcases subtle, light and airy interiors, with custom light fixtures, teak finishes, vaulted ceilings and floor-to-ceiling windows. Halepuna Waikiki's public art program features contemporary art commissioned exclusively for the hotel and will showcase the works of select local artists. Each artist reflects a sense of place, and their works were influenced by Hawai'i's unique environment.

ACCOMMODATIONS

Providing a home away from home and an unparalleled experience in the heart of Waikiki, Halepuna Waikiki's elegantly appointed guest rooms and suites feature custom artwork by local artists and furnishings in color palettes of white, gray, beige, and blue. The hotel consists of 284 guest rooms and four suites with pristine views of the Pacific Ocean and surrounding mountain range. Guestroom categories of Standard, Mountain, Ocean, and Deluxe Ocean range from 309-355 square feet with full and partial balconies. Ocean and Grand Ocean suites range from 619-729 square feet and are beautifully designed to provide timeless comfort with a stunning panoramic view of Waikiki Beach.

CULINARY

The new Halekulani Bakery & Restaurant, located adjacent to the hotel lobby, will be the first branded Halekulani food and beverage outlet. With state-of-the-art European equipment and a highly-trained international staff, the bakery features a range of fresh baked artisan breads, pastries, cakes, and coffees. A chocolate-viewing kitchen will allow guests to observe the delicacies being made daily, including Halekulani's signature *dragees*, the classic chocolate macadamia nut pearls. The all-day dining restaurant will focus on locally sourced ingredients in a relaxed setting. In addition to indoor seating, outdoor lanai seating is available for those who prefer to "grab and go." Halekulani's Executive Pastry Chef, Mark Freischmidt, will lead the bakery operation, working with Head Baker, Tatsuhiko Kaneshiro, from the acclaimed Imperial Hotel Tokyo, who brings the classic art of bread making with him.
