Award-Winning Hawaii Spa Adds New Spa Suites, Butlers, Bespoke Wellness Experiences

HONOLULU, Hawaii – July 31, 2024 – [Halekulani](#), Oahu’s most acclaimed luxury hotel just steps away from Waikiki Beach, today announces the reopening of the award-winning SpaHalekulani following extensive renovations. Featuring three new suite-style treatment rooms, spa butlers and personalized wellness experiences, the intimate spa officially reopens on Thursday, Aug. 1. The announcement was made by Davide Barnes, General Manager of Halekulani.

“Embodying our commitment to excellence and high-touch service, the revitalized SpaHalekulani will deliver unrivalled spa and wellness experiences in Waikiki,” said Mr. Barnes. “The new design, concept and customized treatments will enhance the guest experience and appeal to travelers looking for a sanctuary of peace and rejuvenation away from the bustle of Waikiki.”

Designed by acclaimed New York City-based firm Champalimaud, the expanded yet discreet space honors the spa’s longstanding theme of Kawehewehe (*healing waters*) through multiple water features while boasting quiet technology and enhanced lighting and sound. The reimagined SpaHalekulani features three new private spa suites, spa menu, full salon, boutique and five additional treatment rooms and Skin Care Suite.
